

# TABLE OF CONTENTS

<u>Chapter One: Introduction</u> .....	1
Why are partnerships developing?.....	3
What challenges are partnerships facing?.....	8
How can these obstacles be overcome?.....	10
<u>Chapter Two: Methods</u> .....	12
Case Study Selection and Criteria.....	12
Data Collection.....	14
Analysis and Conclusions.....	15
<u>Chapter Three: Summary of Case Studies</u> .....	17
The Blufflands Alliance.....	20
The Bay Area Open Space Council.....	22
The Michigan Dune Alliance.....	25
The North Quabbin Regional Landscape Partnership.....	27
The Northern Rockies Initiative.....	29
<u>Chapter Four: Why Collaborate?</u> .....	32
Access to additional funding.....	32
Increased organizational capacity.....	34
Greater learning and networking opportunities.....	35
Increased coordination of efforts.....	37
Additional land protected.....	38
Creation of a regional voice and identity.....	38
Ability to work at a landscape scale.....	39
<u>Chapter Five: Factors Contributing to the Success of Collaborative Efforts</u> .....	41
Informal structure of group.....	41
Personalities.....	42
Shared sense of place.....	43
Local origins.....	43
Favorable external environment.....	44
Parity among participants.....	44
Long time frame for operation.....	44
<u>Chapter Six: Challenges of Collaboration</u> .....	46
Resources.....	46
Maintenance of group momentum.....	46
Members' difficulties finding time.....	47
Negative reactions of members' constituents.....	47
Maintaining access to additional funding.....	49
Increased competition between groups.....	50
Delayed accomplishments.....	50
Organizational Structure.....	50

Difficulty working with a diverse set of organizations.....	51
Duplication of effort.....	51
Creating an effective structure.....	52
Personalities.....	53
Vision.....	54
Lack of a shared vision.....	54
Dilemma of mission drift.....	55
<u>Chapter Seven: Potential Future Changes.....</u>	58
Locating additional funding.....	58
Creating more formal structures.....	59
Clarifying shared vision.....	60
Increasing land conservation.....	61
Adding new members.....	61
Expanding project types.....	62
Expanding scale of activities.....	63
<u>Chapter Eight: Conclusions and Recommendations.....</u>	64
Conclusions.....	64
Summary of findings.....	64
Unexpected results.....	66
Lessons learned regarding landscape-scale initiatives .....	69
Recommendations.....	72
Recommendations for group capacity building.....	72
Recommendations for individual land trusts.....	74
<u>Appendices.....</u>	77
Sample Interview Questions.....	77
<u>References Cited .....</u>	78
